## ORANGE

Orange wines are white wines made like red wines, with a prolonged maceration of crushed skins and seeds. These wines are incredibly versatile and can be enjoyed with almost anything - they are delicate enough to work with fish and vegetables and strong enough due to the tannins to also compliment meat and heavier dishes. The perfect wines for sharing plates.

*We have chosen an eclectic range of wines to accompany our food. Many of our wines are organic or biodynamic, all made with great respect for the environment. Most of our wines come from small producers, who are passionate about their craft and dedicated to preserving indigenous grape varieties. Because many are unfiltered and unfined they may look cloudy and have sediments in them. This is exactly how they are supposed to be. Enjoy!*
